# Shop talk lunch at Natural & Organic Products Europe 2018

22 April 2018

## What is the shop talk lunch?

Shop talk is a networking opportunity for independent health store retailers to network together informally and talk over the latest business advice and best practice ideas with leading bira retail experts.

The 2018 'meet the experts' lunch will take place on the first day of Natural Organic Products Europe and will also celebrate the launch of the exciting partnership between NAHS and the British Independent Retailers Association (bira).

**Tickets cost £10 (members tickets are refunded on arrival). Get in touch with Avril for further information and to reserve your place.**

**Avril McCracken, NAHS  
T: 01875 341408  
E: nahsoffice@gmail.com**

22-23 April 2018 ExCeL | London

**“This is a great way to network and find out first-hand what other retailers are doing – what works and what doesn’t, what can work and what can’t.”**

**Carol Dunning, NPE's event director**
