With more consumers making the switch to natural and free-from than ever before, **The Natural Food Show** is your only opportunity of the year to stock up on delicious, authentic healthy food and drink that doesn't compromise on quality or taste and offers great value for money. Keep your shelves full and your menus inspired with 1000's of the very latest natural, organic, Fairtrade, sustainable, ethical, free-from, and artisan innovations that you simply won't find all under one roof anywhere else in the UK this year.

*A world of delicious, authentic flavours
to be discovered...*

The Natural Food Show is the UK's only event offering a comprehensive menu of food and drink that tastes as good as it actually is! See all the biggest natural and organic food and drink brands plus hundreds of dynamic start ups and speciality artisan producers in the popular **Soil Association Marketplace, Vegan Pavilion, FoodLovers Pavilion, and West Country Pavilion.**

Whether it's Organic apple juice from the orchards of Somerset, gluten-free pasta from Bologna, locally-sourced preserves from Ireland, Fairtrade chocolate from Peru or handmade biscuits from the Scottish Isles, you will definitely discover something to take back to your business to make your customers return for more!

See all the companies you expect plus many many more!:
